Dear Members,

An interesting time to be doing newsletter which usually is filled with a list of what's happening at the hall!

We have shown the regular events in the abbreviated calendar below and will update everything when there is more clarity on when we will get to Level 2 and Level 1.

We have been forwarding Cath Handley's very informative newsletters to all our members as not everyone uses Facebook where they are routinely posted. Please forward these to others who may not have access to Facebook.

A key upcoming event is the Plant Sale Fundraiser to support the Waiheke Budget Service which is being organized by the Waiheke Island Garden Club and scheduled to be held at the hall on Sunday 3 October from 9 AM to 3 PM. The sale can only happen at Level 1 so the date may change. Watch Facebook and your email for updates. As you probably know, the Budgeting Service resources have been stretched by the current COVID lockdowns so any support will be greatly appreciated.

Prior to the lockdown, we had a successful working bee at the hall to paint the outside of the repaired kitchen, finish off the stormwater drainage system for the kitchen and tidy up the gardens. Thanks to everyone who attended and helped. Special thanks to Ross for rounding up the paint and providing the painting supplies and Suzie for the scones!

Looking forward to getting out of Level 4 so we can at least get the take away coffee.
