Dear Members,

We hope you have all enjoyed the holiday break and braced yourselves for the Omicron wave, and if you are sick of hearing about those waves maybe you got a ride on one of these. There were some good breaks for those of you who are into surfing.

On a positive note for the New Year, we can rent the hall out at red and we have a good number of bookings. As a committee we had a meeting a couple of weeks ago just to explore the options for ensuring the ongoing viability of the hall. We are now in the process of updating our strategic plan and trying to establish a careful inventory of our ongoing costs as well as hall maintenance issues. We agreed that we really need to get a thorough assessment of the state of the building so that we can prioritise our expenditure. If any of you have the appropriate professional background to assist with this, it would be much appreciated. Please don't hesitate to get in touch.

We are also of course considering what other community issues we should be focusing on in the coming year. Again, if you have any suggestions please let us know. One question which has arisen is around parks and reserves. A draft Waiheke local parks management plan is now open for feedback and available at: <https://akhaveyoursay.aucklandcouncil.govt.nz/waiheke-local-parks-management-plan>. The deadline is Thursday 31 March, 2022. There is also a drop-in session at Ostend Memorial Hall on Wednesday 16 February from 4-6pm.

### February Onetangi Social

We are planning our next social event on Friday February 11 at 5pm. We hope you can make it. We are suggesting that we continue with the policy of drinks only, and we will be following the red level protocols of checking vaccine passes.

### Free CPR and AED training

St John is sponsoring the Three Steps for Life programme at the Hall on Saturday 12 February at 9 AM. This session, which lasts around 90 minutes, will prepare you to provide basic CPR and use the AEDs that are located all over Waiheke. This is an **excellent** programme. As attendance is limited to 12 (to allow for hands on activity using realistic mannequins and maintain social distancing), advance registration is a must by email to [tom.schaefer@stjohn.org.nz](mailto:tom.schaefer@stjohn.org.nz). Vaccine passes are required. A flyer providing more information is attached. If there is sufficient interest, we will try to get St John to do additional training sessions. (Note, that with the uncertain nature of omicron, there is the possibility the session will need to be rescheduled.)

### Art and Crafts Fair

The Art and Crafts Fair is set for Sunday 13 March at the Hall. There are a few spots left for vendors. Contact us by email at [oraonetangi@gmail.com](mailto:oraonetangi@gmail.com) for more information.
