Dear members,

With the worst of the Omicron outbreak hopefully behind us, it is time to slowly get back to normal (if we even remember what that is!). As part of this return to normality, we are hoping for an upturn in our hall bookings. These bookings are our main source of revenue. If you, your family, or friends want to hold a family gathering, birthday or wedding, please consider the Onetangi Hall. The facility is in great shape with excellent heating for the winter and the cost is very reasonable.

An additional important source of revenue is of course the koha and subs that come from you, our members. These are due for 2022 starting from April, so please remember your contribution, made to the bank account number below.

With the change in the Covid Protection Framework coming into effect on 4 April, the hall will modify its Covid policies accordingly. Individual event organisers can now decide if they wish their event to require vaccine passes or not. Scanning or checking is no longer required but the QR code posters are always there for those who wish to use them. Masks are still required for indoor events if possible.

Thank you to our members who have submitted feedback on the range of government consultations and programmes over the last month. There are two areas that are still available for feedback:

Local Parks Management Plan-<https://akhaveyoursay.aucklandcouncil.govt.nz/waiheke-local-parks-management-plan>. Until 16 May

Speed Limit Changes-https://haveyoursay.at.govt.nz/speed-limit-changes-around-auckland-phase-three?utm_campaign=ehq_transactional_email&utm_content=promotions&utm_medium=email&utm_source=ehq&utm_source=ehq&utm_medium=email&utm_campaign=website. This is Auckland wide but includes Waiheke. Until 3 April so hurry!

Finally, we have been trying to decide on the best form and time for our next social get together. We realise that many of you may still be reluctant to get out and socialise so we thought now would be a good time to encourage you all to think about how we can make our next social event more appealing. Please let us know what you would like to see and what days and times you think would work best. Most of our committee members are away next week so we have not planned in a social event yet.
