Dear members,

Now that the worst of Corona is over, fingers crossed, people are slowly starting to emerge from their caves and socialise a bit more. We are seeing this in increased bookings and hopefully in attendance at our next social, Sunday May 15, at 5pm.

We are also hoping that our members might start to become more involved in ORA again. You can start by making a koha/sub payment if you haven't already done so, see bank account number at the bottom of the page, and perhaps thinking about joining the committee.

The AGM is coming up, Saturday July 23 at 3pm, which is time to consider joining our committee. We would love to have a more diverse representation of our community. Contact us if you would like more information about what is involved (oraonetangi@gmail.com).

We also had a very successful seedling swap outside the hall last month. All our regular gardeners might like to continue with this on an ongoing basis. Please give us feedback if you think you would like to participate.

Our next project for the hall is to get it painted, but before we can do that we need to do a bit of serious prep work: The external plumbing on the outside kitchen wall and various other gaps in the cladding. If any of our members would like to volunteer to use their expertise in organising or helping with this project, the committee would be grateful. Let us know.

In the meantime we hope you are all keeping well and we look forward to seeing you soon.
