Your community hall has been a busy place over the last month!

With the delay in the painting and repairs (more on that later), bookings to use the hall have been flowing in. Thanks to everyone for the use of the hall which is our primary source of income. Remember that not for profit groups can use the hall for free if the event they are conducting has no admission charge.

You may have noted the new landscaping that is going in around the hall. This is due to a very generous grant from the Local Board. Thanks to Pam Oliver who spearheaded the application process and the planting. A special thanks to all the volunteers who made the planting go so quickly and to Rotary, Gecko Landscaping and Waiheke Native Plants for their support.

This past Saturday, the Onetangi Residents Association sponsored the Solstice Swing Dance Party. We had a great crowd and great music and great dancing. For those who did not attend, we will be doing this again!

The fundraising for the repairs and painting of the hall has gone very well and we are just a few thousand dollars short of our goal. You may have noticed the scaffolding has been up, but no work has occurred. There was a safety issue with being too close to the high voltage power lines but Vector has been very helpful and we are very close to a resolution. Now we just need to wait for a dry period!!! We are targeting August as the likely start date.

Mark your calendars for the Onetangi Residents Association (ORA) Annual General Meeting on Sunday 9 June at 3PM. The AGM will be followed by our monthly social (BYO). Please come and support your hall and do consider serving on the ORA Committee. With more members, the work is spread around and is no burden at all.
