Dear members, October was relatively quiet, but we did of course have the elections and many of you no doubt voted in the hall. To stimulate your thirst for the next social, on Sunday 5th, we have invited two dotterel specialists, Anne Woodley and Dr John Dowding to give us an update on protection activities and what can be done for the future. Their

presentation will start at 4 and the social itself at 4.30. See poster below. We also have the Art and Craft Fair coming up this month. People have always found it a good chance for some Christmas shopping. Come and enjoy the occasion. There will be a busker, as well as food and drink. Things in the hall itself are looking good, but our ancient stove has just given up the ghost. If anyone has a second-hand one that they would like to sell us, or donate, please let us know. We'll look forward to seeing you on Sunday.

What's on at the hall
