Dear members,

We had our AGM on July 9. Many thanks to those of you who made it along. We got through the business part of the meeting in 30 minutes so there is really no need to be afraid ☺. You will have received the minutes and seen that we have two new committee members: Jim Miller and Sandra Chesterman. Many thanks to both of you for volunteering and we are grateful for the contribution you will make. We have since had a committee meeting and elected our officers. Jim has generously agreed to take over as Treasurer, being eased in by Yossi who has stepped down from the treasurer role but will remain on the committee. Sandra Chesterman is going to step into the secretary role, initially being supported by Jude, who has stepped down, and by Graeme. Tom and Graeme have agreed to continue as co-chairs, Suzy as membership secretary, Sandra and Anita with hall bookings, and Ross as our handyman.

We had a mini-working bee on Sunday 30th to finish putting the chicken wire around the latest planting and to give the hall surrounds a bit of maintenance. Thanks to all of you who turned up to help. Recently someone dumped a huge pile of garden waste outside the hall, which we cleaned up during the working bee. We would like to ask you all to keep an eye on the hall for any signs of people who are hanging around and potentially damaging the hall and environs.

You may also have noticed that the scaffolding has started going up in the last couple of days. We have some good news. We finally have the go ahead for the painting. The scaffolding and water blasting is happening this week with the painting due to start next week. In the meantime the power will be off, but thanks to Silvia Hubbard who has generously provided a portaloos free of charge to allow regular hall users to continue during the painting, if they wish.

We had originally planned for a social this weekend but with the painting, we have decided to make it a painting celebration once it is all done. We will update you once we have a date.
