Welcome to our September newsletter. First of all we would like to thank all of our generous donors for supporting the painting project, and all the tradies who helped this to happen on time and on budget. Thanks also to Vector for their timely and unbureaucratic help with safety measures. As you know, it was not easy to agree on an acceptable colour, but we think the new one gives the hall a fresh new look. We hope you like it, or at least can live with it.

We are planning a social to celebrate the painting, Sunday, 24<sup>th</sup> September at 4.30pm. Before the social, at 4pm, the Waiheke Marine Project steering group have offered to share the latest on the Caulerpa threat in the Gulf and around Waiheke Island. Craig Thorburn, and possibly Blair Anderson, will be able to report on the latest dives and courses of action available to control this threat (see map below).

You may remember the informative gardening evenings run by Rob Velseboer last year. Rob has generously agreed to run two workshops again this year. The first will cover preparing garden beds for Spring and seeds, soil, and planting: Tuesday 19<sup>th</sup> September at 7pm in the hall. The second will cover garden maintenance: feeding, pests and diseases, and a Q&A session. Tuesday 17<sup>th</sup> October at 7pm in the hall. We look forward to seeing you at one or more of these events.

### What's on at the hall

**Sunday,  
24 September  
4pm**

**Brief presentation on Caulerpa threat in the Gulf around Waiheke Island**  
followed by  
**Hall Painting Celebration**
