Our beautiful summer weather is continuing and our hall has been very busy with birthdays, parties and weddings.

The support of the community by using our hall has allowed us to continue to improve the facilities there.

We have just completed the installation of a new water filtration system including a UV light so the water out of the taps is now safe to drink and the water supply will be consistent! Thanks to Ross and Jim for making this happen.

We have also replaced the old oven which was long overdue.

Our next Onetangi Community Social is **Sunday, 11 February at 4 PM**. Come on down and meet your friends and neighbours (BYO). This is a great opportunity to show your support of the hall and the Onetangi community. Please invite your neighbours who may not be on our mailing list to come along.

[No story capturing Onetangi history this time. Coming in March. ]
